Arrival and Departure Information:

On arrival, all young leaders should make their way into the main gym area and ask for Chiara Querci-Hall, where your attendance will be registered. Registration is from 09:45 and the day will officially begin with a welcome presentation at 10:00

The day will end with the opportunity for young leaders to register their interest in any event volunteering opportunities they may like to know a little more information about. Following this and a formal close of the day, they should not leave the premises without first confirming with Chiara that a parent / guardian has arrived to collect them. All responsible adults should come into the main gym area to collect the young leaders where they will be signed out.

Lunch:

Lunch and refreshments will not be provided for, but we will be having a lunch break, so please ensure you bring a packed lunch with you and a drink for the day.

Other:

Resources will be provided for you to complete the relevant workshops, but please bring along a notepad and pen to make any extra notes throughout the day.

The workshops are all theory based and so whilst there are no physical aspects to the day, we recommend wearing comfortable clothing that you will feel most relaxed in.

Contact:

The British Gymnastics lead member of staff present on the day will be the Volunteering Officer - Chiara Querci-Hall. Should you need to make contact at all before or during the day, contact details are below.
